Washington, DC (February 10, 2010) -- Anthony "Tony" Motley, Candidate for an At-Large seat on the District of Columbia's City Council in 2010 is partnering with the Waker Foundation and JRW Elite Construction, and is calling for his campaign volunteers to come together and help our senior citizens and homebound residents in digging out from the Blizzard of 2010. "Starting tomorrow we need to put teams of young people in the streets with the proper equipment to assist our most vulnerable residents...we are happy to partner with the Motley 2010 Campaign to assist in this effort" says Joseph R. Waker, Jr., Executive Director and Founder of the Waker Foundation and owner of the JRW Elite Construction company. Motley says "we will start with contacting the seniors we know who might be vulnerable, need assistance, or are in harms way; in order to assess their needs and respond to those needs with the appropriate support. In partnering with the Waker Foundation and JRW Elite this affords us the assistance we need to ensure that those we are able to help get what they need." Anyone needing assistance should call: Motley 2010 at (202) 373-0663 or The Waker Foundation at (202) 889-5586.
